Note: The classification committee reserves the right to re-classify any player during the season without a majority vote of the committee. These classifications are not necessarily meant to be exclusive of any players ability, but are used by Stansfield Vending as a guide for league and tournament ranking at our events. All players are subject for individual review based on known ability at any time without notice. The criteria is subject to change without warning.

Players Ranking Players:

Each year the committee members and Stansfield Vending work together to make these rankings as fair and as accurate as possible. It is with that in mind that we invite ALL PLAYERS to take a look at this list and give us any input on these rankings. Our goal is to make league and tournament play as fair and competitive as possible for all skill levels. With all of your help this is a goal we can all attain together!
