

Captain's Guide for Dart League

League Web Page: Each league has a designated page on our website. Find with the search tool or select your league right from the drop down listing to find the league you play for. Information and updated statistics will be found here. Sanction information & payment processing available through this online portal.

League Facebook Groups: Each league is assigned its very own Facebook group. Please search for your specific league on Facebook, i.e. Dairyland Stansfield Dart League. Groups have up-to-date information regarding this league and upcoming tournaments. It is a great place to connect with other players in the league and gather information for your team!

Grace Period: 30 minutes, unless noted differently on specific league group page.

Rules/Policies: Stansfield Leagues use the NDA Rules. For reference on league rules and other policies, please visit the Dart League Info page on our website.

Disputes: The two captains shall attempt to settle any disputes that may arise. Disputes that cannot be settled shall be ruled on by the League President or Stansfield League Director.

Sportsmanship: The Stansfield League Department reserves the right to control poor sportsmanship, cheating, or sandbagging. Poor sportsmanship is punishable up to suspension or disqualification of games played.

Team Rosters: Teams may only carry up to eight players on their rosters. More than eight players must have authorization from the League Director. Players who have never played for their original team may join a new team at any time before the 1st round of the schedule or before the first half the season ends— they must meet the criteria for that league.

Intentionally playing under another player's name will result in the loss of all games that player shot and possible expulsion. Once a player has played a match for a team, they may switch teams only by written permission of the team captain. Teams may add new players at any time prior to **January 1st or the season split without special permission.**

Players generally must be 21 years or older to play in leagues. Players under 21 years of age must be accompanied by a parent, should the League Director and hosting bars allow. All players in Stansfield Vending Leagues are eligible to play in the Stansfield Vending Tournament, regardless of age, but a parent must be present at tournament if player is under 21 years of age.

Substitution: A sponsor may substitute for two or more teams within the same league, but not on the same night. When adding a new sub at the board, enter first and last name.

Divisionalize Leagues: Any sub in an '01 league may have no more than 3.00 Points Per Dart (P.P.D.) higher than the person they are replacing. In a cricket league, any sub may have no more than .75 Marks Per Round (M.P.R.) higher than the person they are replacing. Any new player that shoots an extremely higher average than the player being replaced may lose all games by forfeit. *Opposing team captain must make the complaint to the League Director in writing within 24 hours of the match in order to reviewed.*

For league specific rules please see your League Format Page. Any further questions please contact your League's President.

Handicap Leagues: If your league is handicapped and allows for spot editing of points/marks at the dartboard as agreed upon by your league please be advised that any errors in averages put into the dartboard will result in loss of games by that team.

Postponements and Forfeits:

IN THE EVENT OF A POSTPONEMENT, CAPTAINS MUST NOTIFY THE SVI LEAGUE DEPT WITHIN 24 HOURS

Opposing captains, by mutual agreement, may postpone a match. Postponements should be made only because of extenuating circumstances. Postponed matches must be played within 2 weeks of scheduled date. If not played within 2 weeks it could be considered a double forfeit unless approved by the League Director.

Forfeiting will not be permitted during the last two weeks of the league season unless approved by the Stansfield League Department. Teams doing so may be subject to loss of all awards and prize money. All matches that are rescheduled must be played BEFORE THE LAST NIGHT OF PLAY. Common sense, fair play, and sportsmanship should always be considered when deciding whether or not to consider a postponement.

Scoring of Forfeits: The winning team gets the average of their last 3 weeks & the forfeiting team will receive no wins. BOTH TEAMS MUST PAY THE KITTY MONEY OR IT WILL BE DEDUCTED FROM THEIR RESPECTIVE PRIZE CHECKS.

Withdrawal from League: Teams who quit or are expelled from the league will forfeit all prize money.

Bad Weather: League matches will never be cancelled due to bad weather by Stansfield Vending. It is the captain's responsibility to notify the opposing team captain if your team is unable to attend the regularly scheduled match.

Determination of League Champion: The team with the highest number of games won will be the league champion. The next criteria will be head to head competition. If a champion cannot be determined by the above criteria, a shootout to determine the league champion will be administered by Stansfield Vending. All other places that tie (i.e. 2nd place and below) in wins and head to head will split the money.

Determination of League MVP: For leagues that play '01 and Cricket, a player's SSPRE will be used to determine the league MVP. You must play 75% of the league to be eligible for League MVP.

Equipment Use: Any damage done to a dartboard due to poor sportsmanship by an individual will result in loss of games for that team as well as restitution for the damage done to the dartboard.

Dartboard Malfunction: If at any point there is a dartboard malfunction during league play, players need to get refunded by the location they are playing at. Stansfield will reimburse the location. Locations should call our service department to have equipment assessed by a service technician.
